For your safety...

- Bang & Olufsen products are developed for indoor use in dry, domestic environments only.
- Make sure that your product is set up (placed and connected) in accordance with the enclosed setting-up instructions.
- Always place your Bang & Olufsen product on a firm and stable surface. Products placed on soft, heavy carpets must be duly protected against overturning.
- TV sets placed on Bang & Olufsen stands with castors must always be moved with the utmost caution. Special care must be taken when a TV on its stand is moved over uneven surfaces or obstacles, for example a carpet, a cable on the floor, etc.
- Do not attempt to open your Bang & Olufsen product. Leave such operations to qualified service personnel.

Remote control

The Beo4 remote control is the key to all the functions in your BeoVision MX TV.

You can rest the remote control on a table or you can hold it in your hand.

Whichever way is most convenient for you, you will find that the remote control always responds readily to your instructions.
